

Directions to Camp Arbolado

YMCA Camp Arbolado
42500 Hwy 38
Angelus Oaks, CA 92305

1. Take your favorite route to the 10 freeway east (for many of us in Orange County, it's fastest to take the 91 east until it turns into the 215 north, then go east on the 10 freeway).
2. Take the 10 east toward Redlands; exit on Alabama Street and turn left onto Alabama.
3. From Alabama, turn right onto Lugonia Avenue.
4. Lugonia will become Mentone Blvd., then Mill Creek Road, then Highway 38; keep going straight on it through the cities of Redlands and Mentone, and past the Mill Creek Ranger Station.
5. Highway 38 takes a large left turn and heads up into the mountains as you pass a on the right that leads to Forest Falls. Continue on Highway 38 and you'll eventually come to a little town called Angelus Oaks (you'll see a fire station on the right side of the highway, and The Oaks restaurant on the left).
6. Continue 7.5 miles past Angelus Oaks, and look for the Barton Flats Forrest Service Information Center on the right. Continue $\frac{1}{4}$ past the Center up a small rise in the highway; Look for a small "Camp Arbolado" sign on the right side of the road; and turn left to enter the dirt road that leads to Camp Arbolado. Stay LEFT after entering the road and continue until you reach the camp.
7. Continue on the dirt road until you reach "Bishop Lodge". Check in there!
